

Lancaster Archery Academy Target League Shooter Agreement

1.1 By signing this agreement, archers acknowledge that they will abide by our Code of Conduct (see Appendix A) and follow all Lancaster Archery Academy League rules

2.1 League will run for a 10-week period, with 30 scoring arrows shot each week

2.2 Some Leagues may run for additional weeks if Academy closures force League night to be canceled. Staff will communicate such changes to participants in a timely fashion

2.3 League will begin at 6:00PM on Wednesday evenings with open practice. Scoring will commence at 6:30PM

2.4 Participants may shoot their weekly scores at LAS outside of League night hours

2.5 An 80% handicap will be calculated and applied to each participant's scores

2.6 If a participant does not submit a score for a week by the final date specified by LAS staff, they will be awarded zero points for that week during final calculations for League placement

3.1 Lancaster Classic-style scoring will be used, and League participants must adhere to Lancaster Archery Classic rules unless otherwise specified in this document. For a full listing of these rules, please refer to the Lancaster Archery Classic website

3.2 All adult participants will shoot at 18m on a 40cm target face. Yeoman aged nine and younger have the option of shooting at 9m if they so choose. Yeoman must complete the League at whatever distance they shoot their first weekly score. Participants may choose to shoot either a 40cm single spot, or a 40cm triangle three spot

3.3 All participants will shoot in the same division, which is a universal division combining ages, genders, and bow types

3.4 Para archers are allowed an arrow agent, and/or a service animal. For full rules relating to allowable adaptive equipment, please see USA Archery's guidelines titled 'Policy for Wheelchairs, Adaptive Equipment, Agents and Service Animals'. Visually impaired archers will follow the guidelines set forth in World Archery's Rulebook, Section 21.12

4.1 Participants may sign up as a Team, or as individuals

4.2 Archers who do not sign up as a Team will be assigned one

4.3 Teams will be comprised of three or more archers, dependent on the size of that season's League

4.4 Teams will receive a final rank based on points earned during their weekly matchups. These matchups are randomly determined. Teams can earn a maximum of three points per week: one point to whichever Team in their matchup has a higher score in the first fifteen arrows shot, one point to whichever Team in their matchup has a higher score in the second fifteen arrows shot, and one point to whichever Team in their matchup has a higher overall score. A tie in any of these three circumstances will result in that point being evenly split between those two Teams

5.1 Participants must provide their own equipment to participate in League

You will not intentionally disrupt or distract a competitor in the course of competition, give intentionally inaccurate scoring of any round of shooting, taunt competitors, coaches, officials or others by means of baiting, ridiculing, physical violence, or threatening physical violence
